Active participation by at least one parent of every child in LOGOS is encouraged. Since all of the staff volunteer their gifts, part-time service by a number of people is essential to keep the many activities going. At least as important, however, is the "morale boosting" effect of the parent's physical presence and visible support of the ministry from time to time. This is a vital element in the successful operation of the LOGOs ministry. There are many opportunities for parental participation, most of which offer great fellowship, and some of which can be done at home or with little time commitment.

Nursery and preschool care will be available for children ages infant to five years while their parent is participating in the program. The younger children are included in the Family Time meal.

At the time of registration, either or both parents will be given the opportunity to fill out a Volunteer Sign-Up sheet indicating how they would like to be involved. Many opportunities with a wide variety of time commitments are available.

Parents are invited and encouraged to attend the dinner hour as often as possible. They will sit at special tables for adults and participate in all dinnertime activities. Please call the church office at 673-2246 to make a reservation for dinner by Tuesday of the week you would like to attend. Cost for the meal is \$3 per person.

I give my permission for my child to be photographed by the LOGOS staff and for those photographs to be used for promotional purposes only. I understand that my child's name will not be published with the photograph.
